

Induction/Safety Brief

- Safety Life Jacket to be worn at all times.
- Eye Protection/Safety Glasses to be worn at all times.
- When wading a wading staff must be used.
- Guide/Ghillie instructions should be followed at all times.
- Care should be taken when entering and exiting the water.
- INSPIRE FISHING is not responsible for anything lost or left behind during a session.
- INSPIRE FISHING is not responsible for any accident or injury caused by not following Guide/Ghillie instructions.
- Care should be taken when moving about the riverbanks as some can be steep or have uneven ground under foot.
- Extra care should be taken when using all Fishing Equipment. Sharp objects will be used during the session for example - hooks on terminal tackle and scissors to cut lines.

I have read and understood the INSPIRE FISHING Induction/Safety Brief.
